Trip Overview

Chitwan Jungle Safari Tour is one of the most popular adventure tours for those who dream of seeing wild animals, green forests, and the flat landscape of Nepal. Chitwan National Park was declared a UNESCO Natural Heritage Site in **1979**. Chitwan National Park is situated in southern central Nepal, covering **932 sq. km** with deciduous forests overlooking the floodplains of the Narayani, Rapti, and Reu rivers. The park headquarters at Kasara is a **21 km** drive from Bharatpur, 20 minutes by air or 146 km by road from Kathmandu. In this park, there are many resort hotels and lodges to accommodate.

Chitwan Jungle Safari Tour is The Full Board Package Tour Via Chitwan National Pa, which offers a wilderness-rich ecosystem that includes mammals, birds, reptiles, and water animals of several kinds. The highlights of this park are the **500 Asian** one-horned rhinoceros and some hundred nocturnal Royal Bengal tigers that live in the park's dense forests. You will discover a lost world of towering trees and twisting vines, of pre-historic rhinos and lumbering elephants, crocodiles, pythons, and deer; brilliantly colored birds; and, if you are fortunate - the superb Royal Bengal Tiger.

Other animals like rhesus monkeys, grey langurs, deer, leopards, and wild cats share a home with these. Another vital factor adding to the Chitwan experience is the colorful Tharu culture, the way of living, culture, tradition, and heart-touching Tharu Dance. Here, you will do many activities like jungle safari on the elephant back, jungle walks, canoe rides, jeep drives, etc. We, Himalaya Journey Treks and Expedition, arrange the Chitwan Jungle Safari Tour according to travelers /adventure seekers' holiday schedules and wish lifetime amazing adventures trekking in the Himalayas.
