## Naya Kanga Peak Climbing & Explore Adventures

One of the most popular peaks climbing in the Langtang region is Naya Kanga Peak Climbing. This climbing is famous due to the name of Ganja La Chuli. This peak is small so there is no requirement for much equipment and full experience. Even a experience less trekker can also climb this peak. Our route will pass through the Langtang National Park. In this region there is beauty of natural vegetation with the wild animals. Himalayan black bear, Langur, monkeys, red panda, and some rare species of animals can be seen in this National Park. Crossing the beautiful forest of rhododendron, fir, pine and birch our trek will be so interesting. We can see many glaciers in this region. During the whole trek, trekkers will

be enchanted with the spectacular view of mountains all around us. The main attraction of this climbing is mount Langtang Lirung (7246m). Trekking to langtang valley is called moderate because we should not walk more, the way is not tough and this trekking is done in not so high altitude.

The gateway of our Naya Kanga Peak Climbing is a drive over to Dhunche or Syaprubesi from Kathmandu valley. In our trek the way will be Langtang River to Kyangjing Gompa, Naya Kyang camp to high camp and finally to Sysbru besi. And we will return back following the same way and our ending point of this climb will be Syabru besi and a quick drive over to Kathmandu. February to April and October to December is regarded as the best month to climb Naya Kanga Peak. But Nepal Base Camp Treks (Pvt. Ltd.) is always on your front foot to help by making you to trek in this place throughout the year. We will make your trekking schedule according to your holiday. We will make you provision of good trekking guide trekking in himalaya.

## **Trip Itinerary**

### **Day 1 : Arrival in Kathmandu and check-in to Hotel**

The representatives from Nepal Base Camp Treks (Pvt. Ltd.) will welcome you at Tribhuvan International Airport upon your arrival. He/she Assist to transfer you to the hotel for the overnight stay.

### **Day 2: Kathmandu to Syabrubesi**

Early morning, we will have a fresh breakfast and drive towards Syaprubesi. It will take about 7 to 8 hours to reach Syaprubesi. It is the gate way of langtang valley trekking. During the trek we can see panoramic view of mountains like Annapurna, Manaslu, Ganesh and other peak of Langtang ranges.

### **Day 3: Syabrubesi to Lama Hotel**

From Syabrubesi, we march toward lama hotel. It is situated at the altitude of 2748m above sea level. We will start our trial by crossing the Suspension bridge of Bhoté Koshi River. Our journey passes the forest of pine, juniper and many more species of trees. We will climb until and unless we reach lama hotel to stay overnight.

### **Day 4: Lama Hotel to Langtang village**

Early morning we will continue our journey towards the Langtang village. We can get the glimpses of Langtang Mountain from view point. By spending some valuable time in Langtang village we can see the cultivated areas of buckwheat, potatoes, wheat, barley, etc. by enclosing them inside a stoned wall area.

## **Day 5: Trek to Kyangjin**

Today our trek we will take us to Kyangjin. Our trail from Langtang gradually climbs up to the small villages and yak pasture land to Kyangjin. There we can see government operated cheese factory here. After reaching Kyangjin at the altitude of 3800m, we will spend our leisure by exploring around the Kyangjin.

## **Day 6: Kyangjin Gompa to Chherko Ri**

From the Kyangjin Gompa, we will trek towards the Chherko Ri. We can get the best view of mountain all around us from Chherko Ri. We will see the snow capped mountains in our walking trek. We will view the splendid view of mountains from the height of 5150m. The night will be at Chherko Ri.

## **Day 7: Chherko Ri to Naya Kanga base camp**

Naya base camp leads us toward the base camp of Chherko Ri. We will trek further through the main path. We will view the best scene of the surrounding all around us. The trekking goes for about 5 to 6 hours to reach base camp of Naya kanga peak. The night will be at Naya Kanga base camp.

## **Day 8: Base camp to High camp**

Today we need to walk through the snowy path to the high camp. We will view the great scenario of mountain during the trek to the altitude from view point. After walking 4 to 5 hours we will reach High camp. The night will be at the high camp resting at the tented camp.

## **Day 9: Tented camp to summit and back to base camp**

From the high camp, we will walk to the summit of the peak. In this trekking route we will view the great scenario of beautiful ranges of mountains. We will climb to the summit at the height of 5486m. We will enjoy the beautiful and panoramic view around the region. We will return back to the base camp to stay night at tented camp. Now our returning journey starts. We will return back to the Kyangjin Gompa. We will leave beautiful peak at this original position. We will move towards the beautiful trail back to Kyangjin Gompa. We will surely enjoy the success party over there. The night will be at Kyangjin Gompa at one of the hotel room.

## **Day 11: Kyangjin to Lama Hotel**

We will trek further down to lama hotel. We will view the same thing that we have seen while going up but from different prospects. Hence our trek goes downward to Ghodatabela, we will have our lunch there. After having the lunch, we will continue to lama hotel for the rest of the night.

## **Day 12: Lama Hotel to Syabrubesi**

After having the breakfast at lama hotel, we will walk back to Syabrubesi in very energetic way. Our trekking route goes through the glorious forested area with beautiful flowers and smell coming from them. We will continue our way until we reach to Syabrubesi at the altitude of 2000m from lama hotel.

## **Day 13: Syabrubesi to Kathmandu**

After having breakfast at Syaprubesi, a drive of 6 to 7 hours will be enough to return to Kathmandu. We will definitely enjoy the view of green forest and the road side houses while returning to Kathmandu. The evening will be delightful visiting the market area of Kathmandu. We will take rest at night at the hotel arranged by Nepal Base Camp Treks (Pvt.Ltd.)
