Trip Overview

Every trekking agency in Nepal operates the Everest Base Camp Trek. Almost all of the company have similar routes and itinerary to complete the trek. So, Nepal Base Camp Treks Pvt. Ltd is offering Sherpa cultural trek with Everest Base Camp to provide the unique experience in their journey to EBC. This trek is perfect combination of culture and adventure. We are trying to provide extra services to fulfill the desire of trekkers than the general trekking company. The first motive of the traveler is to be associated with the culture and lifestyle of the places they are travelling. Normal Everest Base Camp Trek just fulfills your adventure parts but it can't accomplish your dream to mingle with real Sherpa people.

The main trail to Everest Base Camp is business motive. The tea houses are more concern to provide the comfort to the travelers rather than the real experience of Sherpa Culture. May be the guide could brief you well about the culture and traditions but you will miss an opportunity to experience it by yourself. Eat the food whatever they eat, spend the time with them, talk with them about their lifestyle, and observe them from near are the best way to experience the real Sherpa culture. The professional guide of Nepal Base Camp Trek Pvt. Ltd will help you to communicate better with the local people.

After landing at the Lukla airport with thrilling flight, we will start our trek as like as normal trekkers. The beautiful snow capped mountains, waterfall, and hanging bridges are the additional attraction of the trek. The wildlife likes mountain goat, musk deer, Himalayan Pheasant, etc and domestic animals like cow, Jopke, Yaks will be the subject of photography. As we climb higher, the Snow Mountains will looks higher and bigger. We will visit the Thame, Kunde, Khumjung, Phortse villages to collect the lifetime memory.
